

WIN-T-WASH

WINTER CLEANER, TAR & ASPHALT REMOVER

Description:

Unique surface cleaner specially developed for the efficient removal of tar, asphalt and traffic film in the harshest of winter conditions. Suitable for all vehicle types

Delivers Speed and Throughput :

Highly active formula ensures the maximum speed and efficiency can be achieved in the pre-wash process.

Ideal for Car Wash Centres

Win-t-Wash has been designed to work quickly and effectively in the pre-wash phase in high volume car wash centres.

Directions:

This ready to use solution should be applied undiluted directly onto the vehicle.

Application:

- . Apply at low pressure to the soiled areas on the lower parts of the vehicle.
- . Apply your selected Concept Traffic Film Remover to the vehicle.
- . High pressure rinse.

Application Note:

Do not allow to dry on as staining may occur.
